

Request for Quotations

Printing of Voter Education Materials

A request for quotes (RFQ) for printing of the voter education materials was advertised on the TPEC website from 25 August 2022 to 30 August 2022

The RFQ asked for quotations on a range of materials in some cases for colour and Black White. We needed to obtain this range of quotes to be able to assess what would be possible to print within our budget. It was made clear that we would not be printing all these items.
